Recordation of Examiner Initiated Interview

Commissioner For Patents
P.O. Box 1450
Alexandria, VA 22313-1450

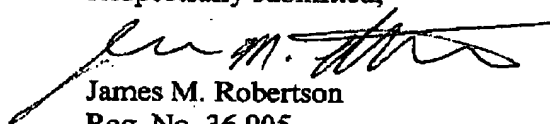

In order to comply with any obligation that may exist to record the substance of a brief telephonic interview initiated by the Examiner on 01 October 2004, Applicants hereby note that the totality of the interview was a courtesy call by the Examiner informing Applicants' attorney that that a pending appeal was not going to be pursued. The Examiner subsequently issued a Notice of Allowance.

Applicants note that the Interview Summary accompanying the Notice of Allowance states that the Examiner would be pursuing the appeal. However this appears to be a simple typographical error when read in context with the rest of the summary and the accompanying Notice of Allowance.

No substantive matters relating to claims or art were discussed during the telephone interview.

While an attempt has been made to satisfy the requirements for an appropriate interview record, in the event that the Examiner concludes that any information presented is inaccurate or deficient, the Examiner is encouraged to contact the undersigned so that any such inaccuracy or deficiency can be promptly rectified.

Respectfully submitted,

James M. Robertson
